Delhi, India - Breaking the conventional role of a traditional Ayurveda, Sidri International has created a niche for itself by offering whole range of sexual care and derma products that aim at promoting a healthy sexual lifestyle.

"We have been instrumental in changing the mind of the customer by providing Ayurvedic Skin care treatments, Hair care treatments and solutions for sexual problems from past so many years says Dr Kanu Rajput. Now we are planning to get even closer to the community by being present in the Men's sexual care services and high profile locations." said Dr Kanu Rajput, CEO of Sidri International Skin Hair & Sexology Clinic in the India.

Today, Sidri International Skin Hair and Sexology is a place which has been providing Ayurvedic Skin care treatments, Hair care treatments and solutions for sexual problems from past so many years.. The Sidri International Doctor plans to expand its services by 2023. The Doctor offers healthcare products, personal care products, beauty products and other products that best meet community's health needs.

Speaking of the changing customer habits Dr Kanu Rajput added "The needs of clients in the India have over the years changed a lot from depending on a sexologist who dispensed medicines to seeking solutions for their health and beauty needs. Thus the role of a sexologist has undergone a total transformation. Today, Sidri International offers solutions to customer's queries about beauty, skin care and available sexual health care therapies."

Sidri International has always aimed to provide its customers an individual level of service, care and support to enhance their satisfaction and maintain their loyalty. Above all they are the most important asset of the Doctor.

"We have for more than 50 years strived to provide our customers added value. We have a close rapport with residents in the India. Our staff are well trained to understand the client's needs and offer an excellent service." added Dr Kanu Rajput.
